

# BAJA BREEZE 80

SKU: BA-BREEZE-80

**Baja Breeze 80** takes its cues from fresh Spring grass. Vibrant greens that are great for regional installation(s) where rye and blue-grasses are predominant, or where you really want to make a green impact statement. Smaller, soft C shape fiber is **extremely comfortable to touch**.

## Highlights

- UV stabilized yarns to resist fading from the sun
- Non-flammable, anti-acid yarn resistant to chemicals
- Durable yarn shape creates stronger fiber strength
